Samskriti Business Solutions is going to launch Samskriti Digital Media, a training unit, which will provide training and impart knowledge on the mechanism of digital marketing to the rural youths in the tier II cities in Telangana and Andhra Pradesh. Helping them hone the skills of digital marketing and to find for themselves a lucrative career in the digitally driven market. The training courses have been designed by professional experts, which are aimed at helping trainees have in-depth knowledge in digital marketing.

Samskriti Digital Media is accredited and certified to impart these courses, and has a team of certified and experienced professionals to take both in-house and online classes. The achievements and success stories of Samskriti Business Solutions have been their milestones, and in entering their 8th year, they are determined to cross many more milestones.

This year brought Samskriti Business Solutions, few good recognitions as one of the **20 Most Promising Healthcare Solutions and Services Providers in ERP Insights Magazine, November 2016 Edition** and also as one of **20 Most Promising Google Technology Solution Providers India 2016 in CIOReview Magazine, June 2016 Edition**. Samskriti has acquired the fame of SEO Certified Company from SEOCertification and Inbound Certified Professionals from Hubspot Academy. This is proof of how knowledgeable and skillful the team is in achieving just the right results for clients' businesses.

The celebrations in Goa, marking their 8th anniversary, are expected to be pompous.
